Each school is allowed two entrants per choir
Soloists may come from choirs in the show choir or concert choir divisions

- **PERFORMANCE** Soloists may perform any style of music they wish and do not provide sheet music to adjudicators
Length of piece is not to exceed five minutes.
Schools will be allotted 15 minutes for warm-up and will be grouped by school for audience and accompanist convenience
Piano will be provided and recorded accompaniment is allowed.
A CD player and iPod port will be available.

- **AWARDS** Trophies will be awarded for first through third place.

Should the show choir schedule change throughout the day and a conflict occurs, the choir's performance will take precedence. Students should then report to the solo venue as quickly as possible after the choir performs. We will do everything we can to make the solo competition as relaxed as possible for the competitors.
